Dear PepsiCo Retiree,

“**CONGRATULATIONS**” on your successful career and recent retirement from PepsiCo!

My name is Jerry Ask and I specialize in retirement planning and 401(k) rollovers. I have assisted over 50 of your fellow PepsiCo associates with their rollover.

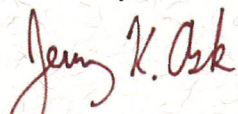

If you have money in the PepsiCo 401(k), I want to invite you to set an appointment for a **complimentary consultation**.

During this meeting, we can discuss your retirement income needs and goals. We will also discuss my fees, the services my staff and I provide, and which strategies may be right for you.

There is absolutely no pressure or obligation for you to gather this information. So if you have not decided where to rollover your 401(k) or you're unhappy with the current investment service you're receiving, call us today at (319) 395-9230.

**Let us help you realize your retirement goals and dreams!**

Sincerely,

Jerry K. Ask, CFP®,
